

Product Safety Recall

How to read the batch code

The example below indicates the 10th week in 2016.

Electrical Safety Recall

KMART AUSTRALIA LIMITED

Marmo Table Lamp

SKUs 42245209 and 42328384

Item no. SLR-15024 Batches 33/15 to 51/18 exclusively

Identification:

The batch numbers are located at the bottom of the lamp and denoted by **XX/XX**

Batches from **02/19** are not affected by this defect and are fully compliant and safe.

The affected Marmo Table Lamp was sold in all Kmart stores from the years 2016 - 2019

Why the product is recalled

Hazard:

The power cord may detach where it meets the inline switch, exposing live wires. If this occurs, there is a risk of electric shock or electrocution.

Action required:

Consumers should immediately stop using the product, disconnect from mains power and cut the cord safely, then return to their nearest Kmart or Khub store for a refund or exchange for a new Marmo Table Lamp.

For further information:

Please direct all calls and any queries concerning this recall to Kmart Customer Service on 1800 124 125 M-F between 7.00am – 6.00pm AEST or visit www.kmart.com.au

See productsafety.gov.au for Australian product recall information.
